## Professional Summary

I am P. Harshavardana Reddy, originally from Vijayawada. Currently, I am a sophomore student at KL University. I take pride in my 2-star rating on Code-Chef, demonstrating my proficiency in coding. Alongside my academic pursuits, I have successfully Completed my First Global Certification AWS Certified Cloud Practitioner. I've successfully completed a skill development projects on Python Full Stack Development (PFS) and MERN Stack Web Development. Additionally, I've assumed leadership roles, serving as a Team Lead for a Social Internship organized by KLSAC. As part of my commitment to knowledge sharing, I've acted as a Peer Mentor for Automata Theory Formal Languages and am presently engaged in mentoring students in Advanced Object-Oriented Programming and Data-Driven Artificial Intelligence. I am eagerly seeking internship opportunities to further expand my skills and contribute meaningfully to the field.

## Skills

C/C++	Problem-Solving.
Java	Good Communication Skills.
Python	Full-Stack Web Development using Python-Django.
JavaScript	Full-Stack Web Development using MERN.
SQL	Having Good Knowledge in AWS Cloud Usage.
Frontend Development using HTML,CSS, ReactJS, NextJS	Trained in DevOps Engineering.
